

Peter's Yard use all natural, high quality ingredients to produce an award winning sourdough crispbread that is light in texture and subtle in flavor, making it the natural choice for cheese.

A team of craft bakers use naturally fermenting sourdough, fresh milk, organic flour, salt and honey to create irresistibly crisp, thin bread where no two pieces are ever alike.

Key Features:

- Winner of the Best New Product Award in the 2017 & 2018 Sofi Awards
- Authentic Swedish provenance
- All natural, high quality ingredients
- Crisp, light texture
- High in fiber, low in sugar and calories
- Versatility of sizes allows usage to extend across canapés, cheese crackers and as a light bread replacement
- Flavors complements rather than dominates the selected topping
